Re: Your email request of August 22, 2021

Dear Mr. Macchiaroli:

I received your email dated August 22, 2021. You are correct that I am the attorney representing the Town of Cornwall. You requested that I verify that what you refer to as "facts 1, 2 and 3" are "accurate and legal" and contact the State Police on your behalf.

You are currently in litigation with a neighbor over your claim of access to Cook Road. I understand that a court hearing on that litigation is scheduled for September 13, 2021.

In addition, it appears you have conducted a regulated activity in wetlands without a permit in violation of Cornwall's Wetlands Regulations.

I will not verify the three facts as you requested, nor contact the State Police on your behalf.

Regarding your email dated September 1, 2021, no reports have been filed with the State Police by employees of the Town of Cornwall.

You should obtain your own separate counsel to assist you on these matters.

Very truly yours,

Perley H. Grimes, Jr.
