Mr. Logan,

Can you please execute this affidavit and return to me before Friday with the understanding I will attach the letter of August 5, 2025.

Respectfully,

David V. DeRosa  
Attorney at Law  
42 Terrace Avenue

Folks,

Apparently I had paper copies of the following but I cannot locate them:

1. *Department of environmental protection Oil spill investigation and report*
2. *Cease and desist order from town of Cornwall "working without wetlands permit and permission from property owners."*

if those can be scanned and sent to me, I can include them in the document that I have attached. I believe the first one is more important than the second one, since I did refer to it in the affidavit.

There are more documents that I had in hard copies, such as the report by Steve Danzer, but I did not use the read of it to form my opinions.

Best,  
George

Mr. Logan,

I echo Mr. Macchiaroli comments. We need a list of the documents you relied on in forming your opinion reflected in the affidavit so I can supply it to opposing counsel. If the documents you relied on have not been disclosed I need copies of those documents.

Respectfully,

David V. DeRosa

George thanks for getting back to me let me know when I can pick up the thumb Drive from you.

Tony 860 459 0915

George we have a hearing on Friday and I need the information you used to generate your affidavit. It has been four months now that the other attorneys have been asking for the information and they are just using this as a ploy to delay things.

I do not need you to generate any new information I just need a list of the documents you referred to in developing your affidavit.

Something like this

*"Other than my personal inspection of the property along Cook road from Prichard's road to the Macchiaroli Property at 85 Cook road, I used the following documents to generate my affidavit.*

*Map of Cook road property boundaries Cornwall CT*

*CT wetlands map of Cook Road*

*Department of environmental protection Oil spill investigation and report*

*Cease and desist order from town of Cornwall "working without wetlands permit and permission from property owners."*

*The above is a total list of documents I used to generate my affidavit."*

All we need is a list of the actual information you used, we don't need you to generate any additional information.
